

REMARKS

In the Office Action mailed May 12, 2008, the Examiner indicated that "claims 1-18" are rejected. However, the Examiner has examined the wrong claims. During the international phase of this application, claims 1-18 were replaced with new claims 1-15. Further, when the application entered the U.S. national phase on November 18, 2005, a Preliminary Amendment was included. That Preliminary Amendment removed multiple dependencies from claims 1-15. Finally, the Filing Receipt for this application confirms that there are a total of 15 claims pending in the application.

On June 5, 2008, the undersigned contacted the Examiner to explain that the wrong claims had been examined. The Examiner agreed that he should have examined the claims as set forth in the Preliminary Amendment. To correct the problem, the Examiner indicated that the applicant should file a response to the Office Action explaining the situation. The applicant has now done so. Accordingly, Applicant respectfully requests the Examiner to examine claims 1-15 as set forth in the Preliminary Amendment and to either allow the claims or provide a new Office Action.

Applicant submits that the present application is in condition for allowance, and notice to that effect is hereby requested. Should the Examiner feel that further dialog would advance the subject application to issuance, the Examiner is invited to telephone the undersigned at any time at (312) 913-0001.

Respectfully submitted,

Date: June 25, 2008
